**Mariposa School of Skating**

190 Bayview Dr, Barrie | 705-721-1223

skatemariposa.com

"This award reflects the high quality of our coaching staff and the diversity of skating programs we excel at delivering, from elite competitive figure skating programs to learn to skate programs to hockey skating programs to our RVH Therapy on Ice," say co-owners David Islam & Paul Matheson.

Champions like Brian Orser, Elvis Stojko and Jeff Buttle, under the tutelage of founder Doug Leigh, put Mariposa on the map as an internationally renowned school. "Mariposa is a full-service training centre that offers top level instruction for every age and level of skater. Barrie was the first municipal rink in Ontario to put ice back in to re-start our skating programs on June 15th, 2020. We have partnered with the City and SMDHU to ensure the safety of our skaters, coaches and the community. Through our Galas with the Barrie Huronia Rotary Club, our golf tournament, Innisdale SS Co-op Xmas shows and more, we have collected \$1million for RVH, over \$180,000 for the Alzheimer Society, \$100,000 for the Barrie Molson Centre and more."
